On a recent visit to the beautiful coast of North West Scotland I was inspired to paint this beautiful but decaying old boat on the shoreline.

Artist Profile: Julia C Essex

Julia Essex spent her working life teaching ballet and running her own busy and successful dance school. Ballet is an art form which creates beautiful lines and shapes through movement to please the eye and bring delight to the soul. On retiring, she wanted to explore a new way of expressing the beauty of aesthetic experience and so took up art.

Having tried a variety of media, she currently prefers acrylics and loves to use fast, expressive brush strokes to convey a sense of freedom and movement in her paintings. She was awarded the Judge's prize in Leamington Studio Artists' Open Exhibition in November 2018 for her painting entitled 'Poppies'.
