I have always been inspired by this beautiful building, so to take a unique photo through my lens ball was a great honour.

Artist Profile: Janine King

Having been born in Coventry, and living in Kenilworth since my schooldays, I have long felt the spirit of Warwickshire, and for over ten years have been visiting not only its well-known locations but also the seldom-seen areas with my camera, seeking to capture that unique moment in history. The combination of the time of year, weather conditions and lighting mean that no two photographs are ever the same, with architecture and natural beauty my constant inspiration.
