The inspiration for this artwork is the fragility of a superficial relationship. The simplicity of the stencil style focuses the viewer on the emotion on the subject's face.

Artist Profile: Sandy Innocent

I am a freelance visual creator, based between Warwickshire and Falmouth.
My passion lies in the visual arts: From as early as I can remember, I have been interested in capturing memories and telling stories through still and moving images.
I have studied television and occupy my free time trying to create the perfect study of my current interests, whether this is people, objects, narratives or political contexts.
